HIRE Act Workshops

Join Hutchins Allen & Company, P.A., Certified Public Accounts, and the Currituck Chamber of Commerce to find out how the new HIRE Act (The Hiring Incentive to Restore Employment Act) affects you and your business. The HIRE Act (March 18, 2010) provides an employer payroll tax exemption for qualified newly hired employees. **If your company qualifies, it could result in a refund on your June 30, 2010 941 filing.** This timely workshop will give you an overview of the HIRE Act's benefits and requirements and how to claim payroll tax exemptions while also providing time for questions. Payroll taxes are due at the end of July, so do not miss this opportunity to find out if the HIRE ACT will benefit your business. There will be two workshops: Wednesday, July 21 from 9:00 – 10:00 am at Brindley Beach Vacation Rental and Sales, 1023 Ocean Trail, Corolla; and Thursday, July 22 from 9:00 – 10:00 am at the Bank of Currituck, 6670 Caratoke Highway, Grandy. There is no charge for these workshop. Please call Tameron Kugler, Hutchins Allen & Company, P.A., (252) 261-1040, if you plan to attend.
